

Where would you go if you could time travel?

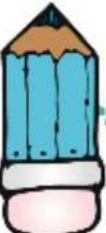

When my time machine broke I was stuck in the age of the dinosaurs...

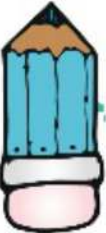

If you could tame any animal for a pet what would it be?

When the pirate captain first got his hook he had a lot of trouble...

Describe your pet, or a pet you'd like to have.

What are your five favorite foods?

Would you rather go without video games or sweets for a month?

Would you rather be able to speak any foreign language or talk to animals?
