

Rewrite "The 3 Little Pigs" with people you know as the pigs & wolf

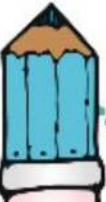

Describe the most disgusting food in the world.

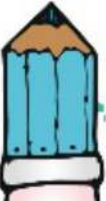

Pretend you are in your 80's and complain about "kids these days"

You just discovered a new planet where people can live. What is it like? What do you name it?

Is exercise important? Why? Why not?

What is your favorite time of day?
Why?

If there were no rules what do you think would happen?

If you could be in the Olympics what event would you participate in?
